

## Alameda International 7th and 8th Grade Supply List

Dear parents and guardians,

If this is your first year with us at Alameda International Jr/Sr High School: welcome! If you are returning, welcome back! We are very excited to work with you in the upcoming 2017-2018 school year. This year, we are going to be focusing particularly on organizational skills with all our middle school students. This includes: keeping and using a weekly planner for assignments, keeping organized and logical systems of information (files/notebooks), and bringing necessary equipment and supplies to class. Alameda International provides each student with a planner at the start of the school year. We also supply students with an Alameda International homework folder. The planner and the homework folder should be brought to every class and to and from home every day. There are also some supplies that we ask your student to come prepared with at the start of the year.
